It is presumed that the local allowance now sanctioned will be in addition to his staff allowance of Rs 500/- which Mr Musa Ismail is at present drawing. If this is correct a sentence may be added to the draft as noted in pencil.

1/8/12

B ii for note

A sentence may be added suggesting the source from which the extra allowance is to be met or else saying that the source will be pointed out later on.

There is no need to pursue the matter in this file.

No other remark except that an order sanctioning addl expenditure is not complete without an indication of the source from which it is to be met. I take it that there is no doubt that the Local allce of Rs 1000/- is to be in addition to + not in the place of the Staff allce of Rs 100.

Will Branch ii please point out the source from which this addl expenditure can be met.?

3/8/12

Br II is not in a position to suggest any source & ~~as it is in the beginning of~~ as the new year has only recently opened, the Administrative Branch too also may not be in a position to do so. A remark that the source will be pointed out (by Br IV) later on, will be sufficient

This has been done.
